EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations provide for the merger of the local government pension funds held by Northumberland County Council (“Northumberland”) and South Tyneside Borough Council (“South Tyneside”). Regulation 2 modifies the Local Government Pension Scheme Regulations 2013 with the effect that from 1st April 2020 Northumberland is no longer required to maintain a fund for the purposes of the Local Government Pension Scheme.

Regulation 3 provides that all assets and liabilities relating to the fund held by Northumberland up to that date are transferred to South Tyneside which becomes the appropriate administering authority for all members of the Scheme for whom the appropriate administering authority was previously Northumberland.

No impact assessment has been produced for these Regulations because no impact on the private or voluntary sectors is foreseen.
