EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Health Protection (Coronavirus, International Travel) (England) Regulations 2020 (“the International Travel Regulations”).

They amend regulation 4 of the International Travel Regulations to provide that a person who is required to be in self-isolation is not required to isolate themselves from a visitor to the place where they are self-isolating if the visitor is there to provide certain services including care and medical assistance. They amend Schedule 2 to remove the exemption from the requirement to self-isolate for certain health or care professionals, and they amend the list of specified competitions in Schedule 3 (which is relevant to the exemption from the requirement to self-isolate for elite sportspersons). They also make a number of minor amendments.
