EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations set out both the arrangements for inspections of those providing child minding and day care and also the information which the Welsh Ministers must provide to a local authority when certain steps are taken.

Regulation 2 confers the function of organising inspections of child minding and day care settings on the Welsh Ministers and Her Majesty's Chief Inspector of Education and Training in Wales ("Her Majesty's Chief Inspector"). A report must be prepared after each inspection. The report must be sent to the registered person. In the case of an inspection by Her Majesty's Chief Inspector the report must be sent to the Welsh Ministers where the Welsh Ministers request.

Inspection reports of day care provision must be published. Inspection reports of child minding may be provided either to parents of minded to children, to parents who are prospective clients or to the local authority for the area in question.

Regulation 3 requires the Welsh Ministers to provide certain information about a child minder or day care provider to a local authority when they propose to grant an application for registration. The information concerned is set out in Schedule 1.

Regulation 4 and Schedule 2 set out the information which must be provided to a local authority when the Welsh Ministers either issue a notice of intention to cancel a registration, when they cancel a registration, when they suspend a registration or when they remove a person from the register at that person's request. The information in Schedule 2 must also be provided when, on the application of the Welsh Ministers, a court makes an order cancelling a registration under section 34(2) of the Children and Families (Wales) Measure 2010.
