EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the National Health Service (Optical Charges and Payments) Regulations 1997 (“the Optical Regulations”) which provide for payments to be made by means of a voucher system in respect of costs incurred by certain categories of persons in connection with sight tests and the supply, replacement and repair of optical appliances.

Regulation 2 amends regulation 1 of the Optical Regulations so as to make reference to an increase in the NHS sight test fee of 1%.

The Welsh Ministers’ Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, it was not considered necessary to carry out a regulatory impact assessment as to the likely costs and benefits of complying with these Regulations.
