EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the National Health Service (General Dental Services Contracts) (Wales) Regulations 2006 (“the GDS Regulations”) and the National Health Service (Personal Dental Services Agreements) (Wales) Regulations 2006 (“the PDS Regulations”).

These Regulations come into force on 1 December 2017.

The GDS Regulations set out a framework for Wales for general dental services contracts.

Regulation 3 amends paragraph 38 of Schedule 3 to the GDS Regulations to allow for electronic submission of the information specified in paragraph 38(2) of Schedule 3 to the Local Health Board (“LHB”). Electronic submission of that information is required from 1 May 2019, though the LHB is given a discretionary power to continue to accept paper forms after that date in exceptional circumstances. There is a transitional provision to allow paper forms to be submitted until 30 June 2019 in respect of courses of treatment ending on or before 30 April 2019.

The PDS Regulations set out a framework for Wales for personal dental services agreements.

Regulation 4 amends paragraph 39 of Schedule 3 to the PDS Regulations to allow for electronic submission of the information specified in paragraph 39(3) of Schedule 3 to the LHB (as the “Relevant Body”). Electronic submission of that information is required from 1 May 2019, though the LHB is given a discretionary power to continue to accept paper forms after that date in exceptional circumstances. There is a transitional provision to allow paper forms to be submitted until 30 June 2019 in respect of courses of treatment ending on or before 30 April 2019.
