(2) P is, by virtue of having been in a country listed in regulation 2, to be treated for the purposes of regulations 7(1) and 8(1) of the International Travel Regulations as having arrived in Wales from, or having been in, a non-exempt country or territory.

(4) For the purposes of regulations 7(1) and 8(1) of the International Travel Regulations, the question of whether P has arrived in Wales from, or having been in, a non-exempt country or territory is, in relation to the territory of Crete, to be determined by reference to whether the territory of Crete was a non-exempt territory when P was last there (and not by reference to the territory’s status upon P’s arrival in Wales).

(5) In this regulation, “isolation requirement” has the meaning given by regulation 10(2) of the International Travel Regulations; and references to P’s last day of isolation are to be interpreted in accordance with regulation 12 of those Regulations.

the Health Protection (Coronavirus, International Travel) (Wales) (Amendment) (No. 14) Regulations 2020 (S.I. 2020/1098 (W. 249)).

The International Travel Regulations impose requirements on persons entering Wales after having been abroad. They include a requirement for persons arriving in Wales to isolate for a period determined in accordance with the Regulations. The requirements imposed by the International Travel Regulations are subject to exceptions, and certain categories of person are exempt from having

to comply. Persons entering Wales after being in one or more of the countries and territories listed in Schedule 3 to the International Travel Regulations are not required to isolate. The countries and territories listed in Schedule 3 to the International Travel Regulations are referred to as “exempt countries and territories”, but some of the entries in Schedule 3 are subject to exceptions in respect of particular territories. So for example, in relation to Greece, which is an exempt country for the purposes of the International Travel Regulations, certain Greek islands are excluded from the exemption.

Part 2 of these Regulations amends the list of exempt countries and territories.

Regulation 2 of these Regulations amends Schedule 3 to the International Travel Regulations to remove Italy, San Marino and Vatican City State from the list of exempt countries and territories.

Regulation 3 of these Regulations makes transitional provision relating to these countries’ change of status. The transitional provision addresses a potential area of doubt in terms of the effect on the operation of the International Travel Regulations, of the amendments made by regulation 2 of these Regulations.

Regulation 4 of these Regulations amends Schedule 3 to the International Travel Regulations so that from 4.00 a.m. on 18 October 2020 the Greek island of Crete will no longer be excepted from the exemption for Greece. The island of Mykonos will continue to be excepted from the exemption for Greece.

Regulation 5 of these Regulations makes transitional provision relating to that territory’s change of status. The transitional provision addresses a potential area of doubt in terms of the effect on the operation of the International Travel Regulations, of the amendment made by regulation 4 of these Regulations.

The Welsh Ministers’ Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, a regulatory impact assessment has not been prepared as to the likely cost and benefit of complying with these Regulations.
